

Release Time Funding from ARCQE!

Once you have completed the Leading Through a Pedagogical Lens (LTPL) learning series you will now be eligible for **Release Time Funding (RTF)** directly from ARCQE.

Details:

- This reimbursement is specific to LTPL and is NOT LINKED to the Release Time Funding Grant currently offered by the Ministry of Children and Family Services.
- Other ARCQE learning series, Possibilities for Practice (PfP) and Supporting Curriculum Practice (SCP), RTF will continue to be offered by The Ministry of Children and Family Services, not from ARCQE.
- RTF is **not** paid automatically. Programs must complete learning series requirements as well as submit supporting electronic documents.
- RTF will be remunerated at \$17.50/hr and supported with \$1.33/hr to programs to offset wage-related expenses. (Please note funding amounts “may” be subject to change pending annual grant renewals by Children and Family Services). Early Childhood Educators (ECE) can expect to receive reimbursement through their employer.
- **We are unable to provide reimbursement directly to individuals.**

Times

RTF is available to ECEs upon completion of the full learning series annually within the April- March delivery year. (Requests for RTF for completion of the LTPL series must be provided prior to March 31st of each fiscal year. All applications received after the fiscal year may no longer be eligible for reimbursement).
