

The Alberta
Resource Centre
for Quality
Enhancement

Seeking dynamic & dedicated volunteer board members!

This is an exceptional leadership opportunity for individuals passionate about shaping the future of early learning and child care services across Alberta. As part of The Alberta Resource Centre for Quality Enhancement (ARCQE) team, you will play a pivotal role in advancing initiatives that enrich the lives of young children and families throughout the province.

As a member of ARCQE's governance board, your early learning knowledge and expertise will play a pivotal role in addressing the diverse needs of children and families across Alberta. By contributing at the provincial level, board members have the opportunity to make a tangible impact on the quality of early learning and care in communities throughout the province.

Our Vision

ARCQE is a provincial non-profit agency dedicated to building capacity and supporting the quality of licensed early learning programs and educators serving children and families from birth to 12 years.

As the agency of choice and a hub of leadership excellence, ARCQE is proud to have a team of passionate and motivated staff who inspire and lead a community of educated, committed professionals. Acting together, they deliver exemplary practices through accessible and flexible programs designed to support communities, children, and families.

Executive Director, Corine Ferguson at (780) 421 - 4930

Position Description

1. Support & Promote Vision & Mission

Actively support and advocate for the mission and vision of ARCQE, helping to advance its impact on early learning and child care in Alberta.

2. Term Commitment

Serve on the board for an initial 2-year term, with the option to renew for a maximum of two consecutive terms.

3. Contribute to Organizational Growth

Play a key role in supporting ARCQE's growth and leadership, ensuring alignment with provincial priorities for early learning and care in Alberta. Board members are expected to engage in monthly meetings, attend annual events, and contribute to leadership initiatives.

4. Engagement with Sector Partners

Participate in meetings with like-minded organizations, sector leaders, and/or government representatives. Board members will also have the opportunity to attend ARCQE's annual National Child Day Conference and contribute to international child care study tours, such as those to New Zealand in 2016 and Colorado in 2019, furthering their own leadership development in the field.
